

第九届中国数控机床展览会 (CCMT2016)

Announcement on The 9th China CNC Machine Tool Fair (CCMT2016)

I.General Information

Name : The 9th China CNC Machine Tool Fair (CCMT2016)

Date : April 11-15, 2016

Venue : Shanghai New International Expo Center

Sponsor : China Machine Tool & Tool Builders' Association

Organizers : China Machine Tool & Tool Builders' Association

Shanghai International Exhibition Co.,Ltd.

Scale : 120,000sqm.

II.Exhibits Profile:

CNC metal cutting machine tool · CNC metal forming machinery · Fabrication equipment · EDM · Laser, plasma and non-traditional processing machinery · key CNC functional component · Industrial robot · Material handling equipment · FMC · FMS · Cutting tool · Accessory · Measuring and testing device · Abrasive and its product · Foundry machinery · Heat treatment equipment · Welding equipment · Additive material manufacturing · Other related manufacturing technology and equipment.

III.Price

1、 The price of package stand and raw space are as follows :

Price	Raw space	Package stand
-------	-----------	---------------

	More than 27sqm.	More than 9sqm.
